PERSONAL PROJECTS

QuizMe - A Quiz Manager (01/2022 - 04/2022)

Developer 🌐

- The project's main objective is to develop a platform for teachers where they can create a quiz or poll for students and test their knowledge. QuizMe is a single centralized platform, the functionality of this platform is to create a quiz, personality test, and survey for the company, and share the score with users of the quiz. Every user of this platform has an account. This contains many modules.

Landing Page: Login/Signup

Other Pages: Admin page, Faculty page, Student page, Quiz Create/Delete, Scoreboard Page, History Module.

- Technology Used: HTML, CSS, PHP, APACHE XAMAPP, SQL, MYSQL DATABASE.
